4. Enforcement.

A. Enforcement and Inspection Officer. The enforcement and inspection officer for purposes of this ordinance shall be the duly appointed Code Enforcement Officer of the Borough of Ashley. The Code Enforcement Officer is hereby designated as the Borough official to whom all complaints of non-compliance with the provisions of this ordinance shall be directed. The Code Enforcement Officer is authorized to conduct any and all reasonable or necessary inspections whether such inspection arises from (1) a citizen complaint filed with the City or (2) non-compliance with the provisions of this ordinance as observed by the officer during the course of any general inspection undertaken of the neighborhood. The Code Enforcement Officer further is authorized to issue and cause to be served or mailed, written notices to any residential property owner whose property is deemed by the officer to violate the provisions of this ordinance. Any such written notice shall specifically identify all violations arising under this ordinance and the steps necessary to bring the property into compliance with this ordinance. Prior to the issuance of any citation and prosecution for a violation of this ordinance, the Code Enforcement Officer shall conduct a second inspection to determine if the offending property has been brought into full compliance with the provisions of this ordinance.

B. Citizen Complaints. Any person may file a complaint with the Borough's Code Enforcement alleging that a violation of this ordinance has occurred or is occurring. The Code Enforcement Officer shall promptly investigate all complains. Following the conducting of an inspection and upon determining that a violation of this ordinance has occurred, the Code Enforcement Officer shall issue a Notice of Violation and Compliance to the accused violator and said notice shall either be personally served by the officer or mailed to the violator by certified mail return receipt requested.

C. Notice of Violation and Compliance. The written notice prepared by the Borough's Code Enforcement officer shall contain the following information:

- i. The name of the titled owner or occupant or tenant, if the occupant or tenant is different from the titled owner to whom the notice shall be addressed.
- ii. The address and location of the violating property.
- iii. A statement setting forth all specific violations of this ordinance.
- iv. A demand that corrective action be taken by the property owner within fifteen (15) days following service or other receipt of the written notice.
- v. A statement that failure to comply with the notice shall (a) result in the issuance of a citation and upon finding of guilt, the imposition of a fine against the violating property owner and (b) result in the City's remedy and removal of the violating conditions on the subject property with the costs thereof, together with a penalty, subject to collection by the Borough in an action in assumpsit or the entry of said costs and penalty as a lien against the offending property.
- vi. Enclosure of a copy of this Ordinance.

D. Continued Violation Following Violator's Service or Receipt of Written Notice. If any reported violation of this ordinance continues after service upon or certified mail receipt by the violating property owner and/or tenant of the violating property of the written notice, the Code Enforcement Officer shall then promptly refer the matter for citation issuance.

5. Penalties.

A. Any person, firm or corporation who shall violate any provision of this code shall, upon conviction thereof in a summary proceeding before a district magistrate, be subject to a fine of up to Three Hundred Dollars (\$300.00). Each separate violation and separate date of a violation shall constitute a separate offense.

B. In addition to the penalties set forth in subsection A, if any owner fails or refuses to remedy the condition within fifteen (15) days following service or other receipt of the written notice, the Borough, upon the Code Enforcement Officer's confirmation of default by the owner, may cause the condition to be remedied or removed and collect the cost thereof, together with a penalty of ten per centum of such cost, from the owner by an action in assumpsit. The cost of removal and the penalty may be entered as a lien against such property in accordance with existing provisions of law. In the exercise of the powers herein conferred, the Borough may institute proceedings in courts of equity.

Section 3. Any ordinance that is in conflict with this instant ordinance is automatically repealed.

Section 4. In the instance that any provision of this Ordinance is deemed illegal or void, the void or illegal section shall be considered removed, and the remainder of the Ordinance shall remain in full force and effect.
